In God's Big Story

After being rescued from slavery by God, the Israelites faced a choice to return to slavery or follow God to an unknown land, full of abundance. God's presence in a cloud led them daily and their job was to follow. This journey was a test of faith and obedience, much like our journey with Jesus today, guided by the Holy Spirit within us. God leads us step by step in discovering our true identity and purpose. Following Jesus in small steps builds our confidence and helps us live in the truth of God's goodness, love, and possibilities.

TRUTH God is powerful.
SCRIPTURE Exodus 13:17-22

Key Verse

Work together this week on memorizing this verse:

LORD and King, you have reached out your great and powerful arm. You have made the heavens and the earth. Nothing is too hard for you.
Jeremiah 32:17

Table Talk or Car Chats

Families, use this to prompt conversations at the table, in the car, and anywhere else your family experiences life together.

- How do you think the Israelites felt when they had to follow a cloud every day?
- Why do you think it's important to follow God's guidance, even when we don't understand it?
- Can you think of a moment when you felt God guiding you in a small way?
- How can we apply the message of following Jesus step by step in our daily lives?

Walk it. Act it. Move it.

Follow the Leader Game

Play a game where one child leads and the others follow. After the game, discuss how the Israelites followed the cloud and how we can follow Jesus today.

Prayer Walk

Take the children on a short walk around your neighborhood. At various points, stop and pray for guidance in different areas of life (e.g., school, family, friendships). Emphasize the importance of seeking God's direction in all things.
